Dear Krishnamurti,

I have been much pressed to receive Govt Order No 10343-44 dated 10th May 1905 refusing to sanction the cost of sundry articles of stationery purchased for my office in the months of June 1904, on the ground that the purchase of these articles was contrary to Rule 3 of Govt Proceedings No G 6011-60 dated 27th May 1904. I have to submit

that the purchases objected to were made in the month of June, 1904, while the printed Order quoted above did not reach me till July. The date on which printed copies of the Stationery Rules were sent to me from the Durbar's Office can be easily ascertained from that Office, and I can also show the date of receipt from the stamp & number that were affixed to the Order on receipt in my office. I have under these circumstan

over the three ink bottles objected
to are travelling ink bottles with
spring lids to prevent the ink
from spilling during travel such
bottles are not supplied by the
stationery depot Moore's foun
tain pen & its ink are also
objected to. I have had my
own Swan Fountain Pen for
many years past for private
use But as the ink leaks
and stains the fingers I
bought Moore's non-leakable
fountain pen & its ink simply
for convenience of use while
travelling I have the Swan

my tours on the roadside to inspect a cohort. At such a time these conveniences are absolutely necessary & they are not supplied by the Stationery Depot. Under these circumstances I request you will kindly be pleased to cancel the above order and sanction the expenditure objected to. The purchases were made for office use with my own money as the office has no permanent advance

Yours sincerely
